If you have been introduced by an Agent, **please give the name and address of your Agent:**

Please enter your **method of payment** or your **official purchase order number:**

Payment: Software will be dispatched immediately if a relevant method of payment is received (Cheques payable to *University of Plymouth Enterprise Ltd*. Credit/debit card by arrangement). An official purchase order number will be accepted as guarantee of payment.

USB hardware key (dongle): Before dispatch you will be asked formally to agree to pay £30 for the cost of the dongle if no software purchase is made and the dongle it is not returned within two months.

*** Currency:** Prices are in GBP (pounds sterling). Payments in other currencies should take into account the exchange rate at the time of purchase, by arrangement with University of Plymouth Enterprise Ltd or your local agent.

^ Discounts: Educational institutions wishing to use the software for teaching and non-profit making research may purchase the software at half the list price. Additional copies of the software are available at a discounted rate please contact us for details.

Your local **instrument agent** may also be willing to supply the software at a discount, especially if purchased with an instrument.

To order directly, please post your Order Form (with payment details) to Peter Matthews:

Environmental and Fluid Modelling Group, 601 Davy Building, University of Plymouth, Drake Circus, Plymouth, PL4 8AA UK

Alternatively, fax or email your order details, or complete the 'Contact Us' Form online
